WAXING & SKIN SERVICES

Please allow 4-6 weeks of outgrowth prior to waxing services. Waxing may cause redness, swelling, sensitivity, irritation, and/or skin loss. It is recommended that you not tan within 24 hours prior to or after a wax service, or wear makeup for 1-2 hours after any facial waxing. If you have used any of the following topical products within 24 hours prior to the service we will not be able to proceed: Accutane, Retin-A, Alpha-Beta Hydroxy or a chemical peel. Please refrain from shaving 24 hours prior to any body treatment. Exfoliations performed in these services may be irritating to freshly shaven skin.

REWARD POINTS

Every dollar spent in services or retail goes toward earning Reward points. As points accumulate, they can be redeemed in \$5 increments. Points cannot be combined from other locations or other family member profiles.
